

Seasonal Equipment Operator

The RM of Elton invites applications for the position of Seasonal Equipment Operator.

The Seasonal Equipment Operator shall be responsible for tasks associated with culvert replacement, sign installation, ditch cleanout, grading, municipal road construction and maintenance work, and general responsibility for other municipal infrastructure.

The successful candidate will be responsible for:

- Operation of municipal equipment (such as but not limited to patrol, backhoe, tractor, retriever, mower and snow removal equipment as needed).
- Providing effective municipal operations working with other staff or working alone.
- Reviewing the condition and maintenance of municipal machinery and assets.
- Inspection of municipal roads, sidewalks, drainage and other service assets, both on a proactive basis for planning and prevention purposes, and on a complaint basis to minimize public safety hazards and municipal liability.

Qualifications:

- High School Diploma, GED or equivalent.
- Understanding of construction equipment and road construction techniques.
- Effectiveness in the areas of construction, safety and productivity.
- Valid Class 5 Driver's License.
- Strong written and oral communication skills.
- The ability to function as a team player.
- Strong judgment in decision-making.

Individuals interested in this position must send resume with three references via email to info@elton.ca or deliver to the Rural Municipality of Elton Administration Office.

Resumes will be reviewed on Monday, May 30, 2022, although resumes will continue to be received until position is filled.

We thank all applicants who apply for this position but advise that only those to be interviewed will be contacted.
